Here are some websites that can be used by parents for activities for their children...

- http://circletimefun.com

- # https://youtu.be/3ia-ozHDaLs - Dolly Parton reading

- Zoom video step by step for teachers and students

  https://www.youtube.com/watch?v=UTXUmoNsgg0#action=share

- One of the website that the parents can log in is Happynumbers.com

  They sign in as parent and then they add their child as a student.

  Activities for all age groups.

- Sesamestreet.org

- Abcmouse.com
