Specifications**

NINOS, Inc. is soliciting Bids for the Monitoring of the Fire Alarm Systems for facilities located in Cameron and Willacy Counties.

Contractor shall monitor Fire Alarm Systems 24 hours per day, 7 days per week, and 365 days per year by trained personnel.

Contractor shall invoice for each monitored property separately.

NINOS, Inc. reserves the right to add or subtract properties from the RFP and any resulting contract at NINOS, Inc. sole discretion. NINOS, Inc. reserves the right to cancel inspection, testing and monitoring services at any location with 30 days’ notice after initial contract period. Any resulting contract shall not automatically extend past the contract period. Any contract extension must have prior written authorization from NINOS, Inc.

Contractor must be able to contact authorities within 60 seconds of the alarm activation. Contractor must have a reliable backup source — either a second station, or a backup generator.

Contractor shall not install any proprietary hardware that would make it impossible for another contractor to monitor the system. Upon contract expiration or termination, Contractor shall coordinate the removal of any proprietary software with the new Contractor to ensure continued service to the property.

All programmable panel access codes must be set to default codes to allow any authorized vendor access to the panels. A code, other than the factory default, is acceptable as long as a listing of pass codes is provided to the NINOS Inc, contract administrator. Final invoicing will not be paid until reprogramming has been completed.
